

BUSINESS SPONSORSHIP TERMS OF PARTICIPATION

This information is to advise Business Sponsors, of their roles and responsibilities as a stakeholder in the Career Advantage Program (CAP) and provides an insight into the roles and responsibilities of other stakeholders involved.

By providing business details to the local Campus CAP Team, the Business Sponsor agrees to these terms of participation.

Career Advantage Program

The Career Advantage Program (CAP) is a structured training arrangement for senior school students enabling them to gain the skills and aptitude to achieve rapid success in their post school careers. The program involves a commitment by students to utilise their own time to undertake extracurricular studies and workplace training; and commitment by business stakeholders to invest in the potential workforce by sponsoring structured work placement training. Through support from parents, teachers, and businesses, each participating student will begin further studies while at school, and experience time managed training that will develop them to become self-starters, self-motivators and self-finishers.

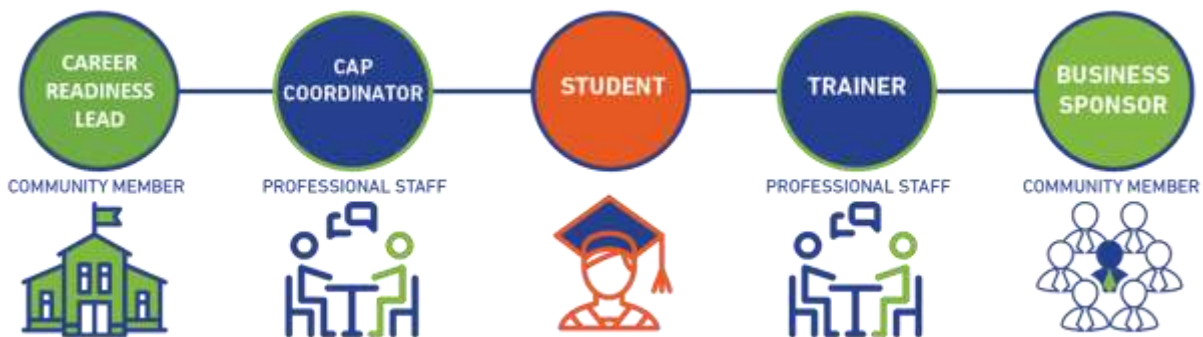

There are several stakeholders in CAP who all focus on the student at the centre.

Their **Career Readiness Lead** (CRL) will be the main point of contact for work placement administration.

Their **CAP Coordinator** will assist to keep them on track with their course and workplace commitments.

Their **Trainer** will be the point of contact for the training program.

Their **Business Sponsor** or Host Employer is the key contact for completing work placement.

BUSINESS SPONSORSHIP TERMS OF PARTICIPATION

Roles and responsibilities

Career Training Institute (CTI)

CTI employs the students under a Group Employer Scheme and provides training and assessment in the selected courses. Career Training Institute (CTI) is the legal employer and will remunerate the student, and meet all workcover, payroll tax and superannuation requirements.

CTI responsibilities

- Employ the student.
- Pays the student for hours completed on work placement.
- Invoice the business sponsor for the CAP sponsorship which includes up to 100 hours of work done by the student.
- Provides the CAP course, training support, and assesses for competency.
- Issues a qualification (where applicable).
- Liaises with the CRL and CAP Coordinator regarding enrolment and progress.

Business Sponsor responsibilities

- Pay the monthly invoice for 'work placement and training'.
- Provide suitable and structured workplace duties in a protected workplace environment, free from harassment.
- Conduct a WHS induction for the student, providing clear directions as to what is expected to be undertaken at the workplace.
- Provide appropriate training opportunities that align with and assist the student to gain competence in their CAP training, offering support and assistance where required.
- Verify hours worked by the student in a timely manner.
- Liaises with CTI and the CRL where relevant.

Student responsibilities

- Abide by the obligations and responsibilities of the Career Advantage Program 'Student Participation Agreement'.
- Attend the workplace and follow the employer's instructions, as long as they are lawful.
- Discuss with workplace supervisor/host employer regarding appropriate aspects of the training.
- Take responsibility for the safety of self and others while at work.
- Complete the coursework in the given timeframe and work towards achieving their highest potential grade.

BUSINESS SPONSORSHIP TERMS OF PARTICIPATION

CAP Coordinator and CRL responsibilities

- Initiate student interest in CAP and provide a professional assessment on student capabilities.
- Coordinate local business sponsorship and match students with participating employers (CRL).
- Provide enrolment information to CTI – student enrolment and Business Sponsor details.
- Monitor student progress using the CAP Database portal.
- Report on student progress (CAP Coordinator).

Business Sponsorship details

Businesses commit to support the program that will provide them with a direct benefit through the opportunity to recruit future quality, pre-trained potential employees into their business entities.

Where a business sponsors a student, they are not committed to employ the student in an ongoing relationship after the program has finished. However it is acknowledged that the Business Sponsor may actively recruit from the pool of students who have committed to, completed and gained significant skills through the course of the program.

The financial commitment to participate in CAP in 2019 is an all-inclusive cost of \$6900.00 + GST.

This covers the course costs, training support, workplace remuneration and other financial incentives for the student and all ancillary administration costs for duties undertaken by CTI.

CTI will issue a tax invoice to the Business Sponsor at the beginning of the year. Payment terms are available with an upfront settlement discount or regular instalments through a direct debit payment plan.

Student remuneration

Students receive the financial benefit of a completion bonus (paid as a debenture) upon successful completion of the extra-curricular study and the work placement.

It is essential that the work placement hours at the Business Sponsor's workplace are carefully and accurately recorded. The Business Sponsor and the student should agree on the most practical method of recording these details so that an accurate record can be submitted to the CTI online payroll system within the correct timeframe.

BUSINESS SPONSORSHIP TERMS OF PARTICIPATION

Work placement requirements

Students are required to complete 100 hours of work placement per year. It is envisaged that this will be completed during the school holiday periods and will not affect attendance at school. Some students may also be undertaking work placement under a 'VET in Schools' program. Depending on specific state requirements this may be done in conjunction with or additional to the CAP.

Employers should assist students where practicable to obtain hands-on, practical on the job training to complement their CAP extra-curricular study plan. This can be facilitated by providing work tasks that are relevant to the student's study. Tasks should be appropriate for the level of student's age, maturity, and experience.

If during the course of the scheduled work placement, a student is at a location other than the principal place of the Business Sponsor's business, then the Business Sponsor agrees to accept full WHS and supervisory responsibility as if the student was at their workplace location.

Legislative requirements

CTI has policies and procedures to ensure that all stakeholders involved with CAP are aware of and fulfil their responsibilities.

Privacy and Your Personal Information

CTI must comply with the National Privacy Act 1988. CTI only collects and discloses employer information required for the placement of student/employee as required to State and Federal Government Departments and/or the School that the student is enrolled with. Business Sponsor details will not be given to another party and are maintained in a secure filing system.

Complaints and Appeals

A Business Sponsor or a CTI employee (student) can raise a complaint or grievance with CTI management. Any grievance should be in writing and addressed to the Manager of CTI. Every effort will be made to resolve any dispute.

Workplace Health and Safety

OHS/WHS is a joint shared responsibility between the legal Employer (CTI) and the Business Sponsor. A Business Sponsor must have an OHS/WHS policy and documented system in operation before committing to take a work placement student.

- CTI Students are required to have an OHS/WHS induction on commencement with the Host Employer.
- CTI employees/Business Sponsors have a duty to discuss OHS/WHS and employees should raise any concerns with the Business Sponsor and also notify CTI of any such concerns.
- Workplace harassment and bullying are illegal and CTI employees and Business Sponsors have a duty of care in this regard.
